

FLASH
Florida Attorneys Saving Homes

June 25, 2008

Dear Volunteer Attorney:

Thank you for volunteering with the Florida Attorneys Saving Homes or FLASH. The time you volunteer to this project will hopefully save a family from losing their home. We hope you will find it as rewarding for you as it will be for the family you help.

This project has been created by the joint efforts of The Florida Bar, The Florida Bar Foundation, Real Property, Probate, and Trust Law Section of The Florida Bar and Florida Legal Services, Inc. The creators of the project hope that through the efforts of volunteers, such as yourself, homeowners can avoid the trauma of foreclosure. With your help, we hope the homeowner will be able to negotiate a resolution to their mortgage problem before a foreclosure is filed.

Florida Legal Services, Inc. is the umbrella organization coordinating FLASH. Through Florida Legal Services, Inc., you are provided malpractice insurance protection for the purpose of your pro bono representation. You will have access to free training and supporting materials in foreclosure prevention representation.

If you have any questions or concerns, please contact Dionne Meyers, the coordinating attorney for FLASH. She can be reached at Florida Legal Services, Inc., by e-mail at dionne@floridalegal.org or by telephone at (850) 385-7900, ext. 1828.

Thank you again for making a difference in the lives of Florida homeowners in distress.

Sincerely,

Sandra Fascell Diamond

Chair, Real Property Probate and Trust Law Section of the Florida Bar
